**Vol. No. 23**

**July 2023**

**Issue No. 7**

**Notes from the President** – It's that time of year...warm weather and pop-up storms. Everything looks green, exactly what Tennessee is famous for. We have not had a lot of rain, but just enough lately to make everything grow. We did have a dry spell that lasted for a while. There are lots of car events going on, so something going on most any weekend.

The "Pizza at the Gazebo" meeting night was nice weather and a great turnout. Thank you to all who participated and brought food and desserts to go with the pizza. Thank you to Brenda and Dennis for picking up the pizza. It can be challenging to speak to everyone in that setting with traffic noise and everyone spread out in the open, but we managed.

It was our annual election night and we have some new officers to congratulate for filling positions of leadership in our fine club. I agreed to remain President for the next year. *Parker Francis* is our new Vice President. *Chris Haugh* is our new Secretary. *Claire Flannigan* is our new Treasurer. A huge thank you to Wayne, Billie and Brenda for their years of service in those positions. New officers and contact information is listed in the heading.

Last but not least, *Lee Kelly* is taking the helm as Newsletter Editor for the club starting this month. He will be back at it for the August edition. Stay tuned!

**Notice:** The Saturday morning "Pulaski Car Guys" cruise-in from 8:00 AM to 10:00 AM at the Hardee's parking lot here in Pulaski.

Mark said starting the page was intended to be for members only, however there was discussion of outside the membership being able to read to see what the club was doing and to generate club growth. It was decided Mark would do some research to give a read only access to non members. This is currently in the works.
