**Issue No. 2**

## ***Notes from the President -***

– B-r-r-r...cold weather is here for sure. We hope y'all are managing the cold with no issues of frozen pipes, etc. I know other parts of the country are having it worse than us, but that doesn't make it any easier. I suppose it will not be long, we'll be complaining about heat and humidity.

I'm close to firing off the new engine in the 55 wagon, but who wants to work when you're not comfortable. I'm getting anxious, since everything is complete and ready. I guess I'll have to look into heating some of my main shop area to make it more bearable. I'll add that to my project list.

Our January meeting was nice. 'Bingo/Italian Night' with the Italian dishes, desserts and drinks. Thanks to all who brought the great food. We were able to knock out the planning calendar for 2025. We had a lot of good input and thanks to all. I have revised it with the changes and it is included with this month's newsletter. Lastly, our BINGO game was excellent. We had 30 gifts for the game and everyone enjoyed playing.

Please remember our next meeting on February 11th. It is "Sweetie Night" so bring those desserts for prize judging.

1st Place - \$25 2nd Place - \$15 3rd Place - \$10.

Hope to see you there.

### **P.A.C.E. Car Club Minutes – January 2025**

Meeting was brought to order by President Jon Wilson at 6:05 with Pledge of Allegiance. No guests. January birthdays and anniversaries were recognized (Judy to add Jake McKinney, Jan. 3, to list). Following dinner blessing by Dennis Edwards, all enjoyed a great “Italian” meal...thanks to all who provided food. Judy passed around a “thank you” card to FNB for signatures, thanking them for allowing us room for our meetings and also for the delicious ham at Christmas party. Lee McKinney brought shirt orders to be distributed...thanks to he and Brenda for handling this...the shirts look great! Jon went over 2025 tentative PACE calendar of events; he’ll have copies for all at next meeting. Anyone interested in hosting a meeting, an event at your home, or organizing a cruise for the club, please contact Jon. Meeting concluded with our annual January BINGO game...thanks to all who participated...we had a fun time. Meeting adjourned... 😊 Judy, Secty.

### **Editor’s Note:**

Good news is that February is bringing in some warmer Spring like weather and the bad news is that Punxsutawney Phil saw his shadow and is predicting six more weeks of winter. I do believe that Spring is in sight!!! Time to start thinking about getting the cars prepped for the road.
