Vol. No. 24

November 2024

Issue No. 11

Notes from the President - Hello to all! Another year is about to come to a close. The weather is still pretty nice for the most part in case you have events to attend. There are some events this month, but not as packed as October. First of all - November 5th - If you have not already voted, please be sure you do. Then Monday, November 11th is Veterans Day and P.A.C.E. is once again asked to participate in the Pulaski Veterans Day Parade. We will meet for lineup at the Village Square Shopping Center at 9:00am. It is just off the square on E. Washington St. Tuesday, November 12th is our club meeting at the FNB 6:00pm - 'We Are Thankful'. The club will provide the turkey, so please bring Thanksgiving sides and desserts. We will collect for seniors for Kathy Bassham and children's toys for Scott Nations. We are collecting unwrapped toys for 25 kids, ages 5-9 yrs. old. Scott will try to attend to pick up the toys.

Thank you to all who attended the Western Night meeting October. We were once again blessed with good food and a nice crowd. We voted in more new members and had a nice meeting.

The Lawrenceburg Car Show was biggest ever with 179 entries. There were more than just registered vehicles there too. Six members brought home trophies. Larry Hubbard said it is a testament to the class of cars in our club. That evening was also the hot dog cookout and hay ride at the McDougals. Those who did not attend, you really missed out! Thank you to Wayne and Patricia for their hospitality and thank you to Parker and Wanda for cooking the hotdogs. During the winter months, those are great gatherings to think about. After all, it is more than just a car club and we enjoy the times we can be together.

Lee Mckinney is bringing a sign-up list for club apparel. Please bring your apparel order with items and sizes. Lee will also be collecting the money for your items at that time. You can make out checks to PACE car club. Shirts - SS -\$25, LS - \$28. Crewneck sweat shirt - \$36. Hoodie - \$42. Any 2X and above is + \$3.50
