**Vol. No. 23**

**August 2023**

**Issue No. 8**

**Notes from the President** – How about this weather...thunderstorms, rain and lots of heat. It has been hot but we have had some beautiful days to be out. It won't be long til we get some cooler weather. In the meantime, there are always a lot of activities and opportunities to drive our cars to shows and cruise-ins.

A special thank you to Jim and Sherry for hosting our annual "Red, White, and Blue" night. They always go over and above to be sure we have a pleasant venue for our meeting. We had a nice turnout with plenty of good food and desserts as usual. Thank you to all who attended, brought food and paid club dues.

And then...we had our first cruise-in back at Bank of Frankewing on Sunday, July 16th. We had a great turnout. Not only club members, but many visitors and spectators as well. It was warm, but we had a nice breeze. Dennis, Lee and I have been working on story boards to take out every month to Bank of Frankewing to show people about our club.

Thanks again to Lee for taking over as newsletter editor. We look forward to reading it every month.

**Notice:** The Saturday morning "Pulaski Car Guys" cruise-in from 8:00 AM to 10:00 AM at the Hardee's parking lot here in Pulaski.
