Vol. No. 23

September 2023

Issue No. 9

Notes from the President – Greetings from Milky Way! It's been a hot and dry one here lately. Finally, we got some rain to cool it down and keep the dust down. It won't be long now and we will get some nice Fall weather. Time for that Fall cruise to drive somewhere to hang out and eat with friends.

Our last meeting was very nice. We had a nice turnout and plenty of food as usual. Thanks to all. We also discussed some possible changes to the Club Bylaws. The plan is to get the leadership together to discuss some changes and then present is to the membership. Unfortunately, I ran out of month and did not have the leadership gathering. We will do it for sure in September. It's good to do it now while it is still fresh in our minds.

Thanks to Dennis and Lee for putting together the story boards for our Bank of Frankewing cruise-in on second Sundays. They look really good and help to tell spectators about us. The last Sunday was nice, but warm for sure. Then here came the clouds and wind. We no more than packed up and left the bank and it really hit hard with wind and rain. Whew...dodged that bullet! We still had a nice time while it lasted. See y'all next month!

Notice: The Saturday morning "Pulaski Car Guys" cruise-in from 8:00 AM to 10:00 AM at the Hardee's parking lot here in Pulaski.

Keep up with what's going on with the club – [READ THE MINUTES.](#)

Saturday morning Cruise-In at Hardee's Parking Lot continues every Saturday morning.

MEMBER SICKNESS/DISTRESS NETWORK: Parker shared that doctors had little good news on his eyes...condition will probably not get any better, but should not worsen. We encouraged him to get another opinion! If condition does not improve he will have to retire from being a school bus driver. Danny Biggs is home with healthcare, physical therapy and TLC from wife, Glenda. Chris Haugh and Billie Wilson both under the weather tonight. Sympathy card for Pat Nelson (Sonny) passed for signatures. Keep all in our prayers!

NEW BUSINESS: Club Bylaws: Jon sent a copy to each member last month and asked that we be ready to discuss at tonight's meeting. Contact Jon with any suggestions you may have ASAP as he will be setting up a meeting with the officers and committee chairpersons to go over possible revisions. Suggested change, at tonight's meeting, was to change leadership structure for President and Vice-President with one-year term limit, and addition of 2nd VP and 3rd VP...the VP positions would move up in sequence each year until they serve as President. All positions would be nominated by membership. Also suggested that all voting be done by secret ballot. Jon will present suggestions at September meeting. Club officers need to read the Bylaws and be aware of what your position entails; be prepared to make suggestions for any changes!

TRADING POST: Check with Dennis if you're looking for anything! Stephanie Burlew had a back-up camera for \$60.00 or best offer; also 1962 Dodge/Plymouth brake pedal for \$25.00 or best offer. Bob Burlew recommended Lexington Tires for front end alignments.

DOOR PRIZES: Congratulations to tonight's winners...Lee & Brenda McKinney; Mark & Claire Flannigan. If you wish to donate items for prizes, give to Jon or Billie. Be sure to bring your "Club Coupon" from the monthly newsletter for the drawing.

MEMBERSHIP ROSTERS: Judy working on getting roster, birthday and anniversary lists updated by September meeting. If you have changes in any of your info, please call her...931-424-6559.

NEXT CLUB MEETING: Tuesday, September 12th, 6:00 P.M., "TAILGATE PARTY" at FNB Parking Lot. Please bring finger foods, ice cream, desserts and drinks. See y'all there!

Adjourned at 7:40!

Respectfully submitted: Judy Kelly
