Vol. No. 24

April 2024

Issue No. 4

Notes from the President – Thank you for your participation at the March meeting. The meeting was good, and we were treated to an upgraded room for our meeting. It was a little less room, but we worked it out and everyone had a place to sit. Our first 50/50 was very good as well, thank you. Now Chris can get to work to get a couple nice gifts for the next 2 months. Dennis did not bring any mystery items this year. I brought 1 item and most everyone knew what it was right away...and old style window weight. We are dating ourselves!!

We hope everyone had a nice Easter weekend with family and friends. Can you believe it is April already. Fortunately, the weather will be better now to get out and about with our cars. Speaking of which...Parker and Wanda have arranged for a nice outing. The date has been changed to Saturday, April 13th for breakfast at their home at 9:00am. After breakfast, we are cruising to see some cars in Culleoka. Then to top off the day, we will cruise to Campbell Station for an early supper. More details to follow at the meeting.

Mark Flannigan and I spent Saturday the 23rd at the Lenox's home. We assisted Ron and we assembled Ron's new Atlas 8,000lb four post car lift in his shop. We had a nice time working together. It was amazing, no mashed knuckles, bruised shins, or cuts and scratches. Just some sore muscles the next day. It looks really nice and now no more laying on a floor or creeper for Ron, Congratulations!

Hope to see you at the P.A.C.E. April meeting for "Ladies Night Out" on Tuesday, April 9th at Junction 64 Diner (Previously Sarge's) - 6:00pm. We can eat buffet style or off the menu. Should be a nice evening for everyone.
